Boy Accidentally Shot.

Yesterday morning, an accidental shooting occurred in the Fifth ward. The victim was James Blatt, a thirteen-year-old boy, who was shot in the leg by a playmate, Charles West, living on Twenty-second street. The boys were "monkeying" with a 22-calibre revolver. The injured boy was removed to his home in Alley D, Fifth ward, and the ball was extracted by Dr. Baguley. Young Blatt suffered considerably from loss of blood, but no serious consequences are anticipated.

In Clerk Robertson's Office.

Yesterday, in Clerk Robertson's office, the following transfers of real estate were recorded:

## A LOW ARCHWAY

Proved Fatal to Jonas Butterfield, a Teamster.

### CAUGHT HIM ACROSS BREAST

Inflicting a Blow that Produced Internal Hemorrhage—The Unfortunate man Lingered in Agony for Several Hours—Accident Occurred at the Klieves-Kraft Company's Lumber Yards.

Jonas Butterfield, a driver for the Schmulbach Brewing Company, was the victim of a fatal accident yesterday, shortly before noon. He was struck across the breast by a projecting archway at the lumber yards of the Klieves-Kraft Company, South Eoff street, while driving through the yard. The accident occurred at 12 o'clock, and the unfortunate man lingered until 5:45 o'clock, when death ended his sufferings.

The deceased had often driven under the archway without difficulty, but on this occasion he was driving a higher wagon than formerly. He stooped his head to pass under, but his chest collided with the heavy archway beam with considerable force, knocking him off his seat. When help arrived, Mr. Butterfield was unconscious. He was removed to his home, at No. 3223 Jacob street, and Dr. Munroe summoned. When the physician arrived Mr. Butterfield's pulse was scarcely beating, and it was feared he wouldn't live out the hour. He regained consciousness at intervals until his death, and complained of pains in his right hip, but an examination failed to reveal any injury to this part of the body.

The deceased was a very stout man, weighing over 200 pounds, and his corpulence may have contributed to the serious results of the accident, for his death was due to internal hemorrhage, and so far as Dr. Munroe could ascertain in a superficial examination no bones were broken. The blow across the chest was fatal, however.

The deceased was one of the oldest employees of the Schmulbach Brewing Company in point of service. He was in his forty-seventh year, and surviving him are a wife and six children. The funeral arrangements were not completed last night.

### BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

Matinees at both theatres to-day.

Opera House to-night—"Jack and the Beanstalk."

Grand to-night—Daniel Sully in "O'Brien, the Contractor."

A special term of the circuit court, Part 1, Judge Hervey, will be held to-day.

The funeral of the late Robert Luke will take place this afternoon at 2 o'clock, with interment at Greenwood.

E. W. Stephens Post, G. A. R., has been called out to attend the funeral of the late Dr. Pipes in a body to-morrow afternoon.

The council committee on accounts met last night and audited bills aggregating \$470 24. The books of the city clerk and city receiver were audited and found correct.

The managers and assistants of the woman's paper, The Easter Herald, will hold an important meeting this afternoon at 2 o'clock. The ladies desire to thank the local express companies for favors received.

The published statement concerning the disorderly charge dismissed against Ed. Stolleit did the Vigilant Athletic Club a great injustice, as the disturbance occurred in another organization's club house, and not at the popular South Side club.

To-night, at the Pethan castle, South Side, Mr. and Mrs. Francis Labadie appear in "An Original Idea," under the auspices of Black Prince Lodge No. 19, Knights of Pythias, and the attraction is deserving of a packed house. They appeared here in the same original idea last winter and scored a decided hit.

At the Lenten service at St. Joseph's Cathedral this evening, at 7:30 o'clock, the collection piece will be an Ave Maria solo, by Dudley Buck, rendered by Miss Emma Kahn. The choir will render Lacademics "O Salutaris." The sermon for Lent will be given by Rev. P. A. Boyce, of Sistersville. The choir, under the training of the organist, Prof. Sebastian Rafferty, is preparing some special passion music for Palm Sunday evening from Rossini's Stabat Mater.

### Chamberlain's Cough Remedy.

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease of all dangerous consequences. Sold by druggists.

### The Woman's Easter Herald.

All ladies soliciting subscriptions and advertisements for the Woman's Easter Herald, and all who will be engaged in selling the same at the various news stands, to be in charge of the different circles of King's Daughters, are requested to attend a meeting of the business managers, on Wednesday, March 22, at 5 o'clock, at the Fourth Street M. E. church.

By order of the business managers, VIRGINIA MILLER, Secretary.

### Our Millinery Reception

will take place Thursday and Friday, March 23 and 24. We will have a magnificent display of French Patterns and Bonnets. All are cordially invited. MME. J. M. SHIDELL, (Successor to A. L. Rice), 1120 Main Street, Wheeling, W. Va.

### ..Second Sight..

When you feel that you have tried everything and everyone, consult us. A daily experience is the surprise shown by the benefited patients at our office.

Do you have headache? Do your eyes water? Do they smart or burn? Does the print run together when reading? Feel as if you were before the eyes? Do things appear double or mixed up? Have a desire to rub the eyes? Twitching? Does the light pain them? For any trouble of your eyes consult us. During this month we devote much time to children's eyes. We make glasses at popular prices (one reason for our popularity)—make a careful examination free of charge. The best proof of our success is the number of recommendations from our old patients.
